PRODUCT

9” Paper Plate Template

A FRIENDLY WARNING

Print that is situated within the green ‘crease’ areas will not be as clear as print on the centre of the plate due to the creases pressed into the plate when forming.

Check It Thoroughly

Before approving any artwork for print please check the following:

Spelling

Colour

Sizing

Key Notes

On-Screen Colours and the final print are never a 1:1 match, Print tests will be more accurate.

We will always recommend, testing a print & cutting it out to check properly.

Print Ready?

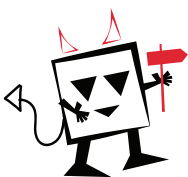

Artwork Prepped? We need confirmation via email then we can proceed with printing, this is when the lead time will start.

When confirming you are accepting responsibility for any final checks and sign offs.

Disclaimers

Whilst the team here at Rebel tries to ensure that everything runs as close to perfection as we can realistically manage some hiccups and variations can occur. We look to keep these to an absolute minimum but sometimes a few may slip through the net. Please also keep note that if the Rebel Creative Ltd team have worked on your design it is best to supply us with your brands CMYK codes or Pantone references to ensure that we can get your product as accurate as possible.
